Remedial Action taken (Please attach details if any)	NA			
Any Fatality occurred, details.	NA			
Other Details				
Are you meeting the standards of air Pollution from the incinerator?. How many times in last year could not met the standards?	NA			
Details of Continuous online emission monitoring systems installed	YES			
Liquid waste generated and treatment methods in place. How many times you have not met the standards in a year.	0			
It the disinfection method or sterilization meeting the log 4 standards? How many times you have not met the standards in a year?	0			
Any other relevant information	NA (Air Pollution Control Device attached with the incinerator)
